In the Matter of:

AN INVESTIGATION OF THE RELIABILITY)	
MEASURES OF KENTUCKY'S)	CASE NO.
JURISDICTIONAL ELECTRIC DISTRIBUTION)	2011-00450
UTILITIES)	

O R D E R

This matter is before the Commission upon the motion of Jackson Purchase Energy Corporation ("Jackson Purchase"), filed April 2, 2012, for an extension of time in which to file its responses to Commission Staff's Second Request for Information. Pursuant to the procedural schedule issued in this case on March 2, 2012, Jackson Purchase's responses to Commission Staff's Second Request for Information were due on March 30, 2012. In support of its motion, Jackson Purchase states that it does not have in its employ a Vice President of Engineering and Operations, the management position which would be responsible for filing the response to this request. Jackson Purchase further states that the individual temporarily filling that position and working on the responses has been unable to complete the responses and, therefore, needs additional time to compile the responses. Jackson Purchase requests an extension up to and including April 9, 2012 to file its responses.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Jackson Purchase has established good cause to allow it an extension of time to file its responses to Commission Staff's Second Request for Information and its motion should be granted.

IT IS THEREFORE ORDERED that Jackson Purchase's motion for an extension of time is granted and its responses to Commission Staff's Second Request for Information shall be filed no later than April 9, 2012.
